Response to Arguments

Applicant's arguments, with respect to claims 1 and 10 and the corresponding dependent claims have been fully considered and are persuasive. The rejection of the claims by Bhaskar et al. has been withdrawn.

Allowable Subject Matter

Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance: claims 9 and 18 were previously allowed, claims 1-8 and 10-17 are allowed because, Bhaskar doesn't teach where bad frames are substituted from only spectral parameters of previous good frames including their partly adaptive mean value as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel D Abebe whose telephone number is 703-308-5543. The examiner can normally be reached on monday-friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doris To can be reached on 703-305-4827. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
